Re: Jody & Debbie McGeorge  
First Coast Cleaners Janitorial Service

To whom it may concern:

I have utilized the excellent services of Jody & Debbie McGeorge for over twenty (20) years. They currently provide janitorial services at my present location, 1 Sebastian Avenue, St. Augustine. Prior to my move here, they provided services at my previous location, 100 Arricola Avenue, St. Augustine.

They have always been dependable, prompt and efficient in the services provided. When scheduling flexibility is necessary due to my office staff overtime requirements, they are always cooperative.

I would not hesitate to recommend them to anyone needing reliable, efficient janitorial services.

If I can provide any further information on their behalf, please do not hesitate to contact me.

Very truly yours,
